Treatment Center for
Women

Hope, Health, &
Recovery

Our Mission

Prosperity affirms through progressive treatment processes and patient directed individualized care to create abstinence, improved health, wellness and quality of life.

The Admission Process

Potential patients with Funding:

If you have a DSHS medical coupon of TANF, GAU/GAX, SSI/SSD, Disability Lifeline, you have the ability to SELF REFER for treatment services.

Contact the Coordinator of Patient Care (Suzanne), for an over the phone screening to determine potential eligibility/admission needs, and appropriate program placement.

(253) 863-1380
pcts1@comcast.net

If you have an established ADATSA funding and have a relationship with an outpatient agency, you can request to receive services at PWC, based on your assessment and personal choice.

Potential patients Seeking Funding to access Services:

If you are seeking services through DSHS and believe you have a chemical dependency problem, you can meet our agency representative (Gloria) at Pierce North CSO.

You will need to do the following:

- Complete an application for DSHS funding/services
- Check the Alcohol and Drug section on the application
- Request to speak with Gloria for a level of care screening and referral

DSHS Pierce North CSO
1949 South State Street
Tacoma WA, 98405
